

Gregs Bonsai House

Greg's House Of Bonsai

8" Humidity Bonsai Tray

\$6.95

Â All Bonsai trees need that extra humidity and we have found using this simple tray with a little gravel and color of your choice does a great job for helping your bonsai stay moist all the time. Also helps catch any water from escaping and damaging the underneath of where your precious bonsai is sitting. Take a look at all the other things that are needed when you get your first bonsai tree from Greg's Bonsai House.
